INTRODUCTION

Fracarita Pakistan is a non-political, non-profitable and charitable Organization. It is registered under the Societies Registration act XXI of 1860 with the Government of Pakistan since 28th September 2013, Registration Number RP/8305/L/S/13/1814.

Fracarita is commonly known as enhancing the personal rehabilitation and social reintegration of the socially offended and rejected children through helping them in education and rehabilitation. Fracarita Pakistan aims at developing the human dignity among the disable and mentally disordered people. One of the biggest aims of this organization is to help children educationally, mental health care and caring people with disability.

The specific aim of **Fracarita Pakistan** is to help the victims of poor community children in education and for those children who are mentally disturbed and discarded in this society. We are promoting education among these children and providing the rehabilitation center as they could feel the home environment. These socially offended and rejected children are really in need of our prayers and physical support.

In the field of mental health, Fracarita is really improving the standard of the special people to help them live a better life, many of these people are offended by social injustice. Where people don't like to help and discourage handicapped and mentally disturbed people. We have some specific approaches to heal these people like through education, training and some therapies to boost up their energies, we really wish to make them an active member of the society. We aim at helping in all the aspects of life. We really want to train them up in education and awareness through their life-style. We get their life-style better and they will certainly know how to cope with the difficulties of their lives.

Coordinator Message

Mr. Ashraf Rahmat
Regional Coordinator, Fracarita Pakistan

It is a challenge for us to provide the educational skills at people doorstep. Once the young generation is educated they will be on their track of life. Through education, we are attempting to abolish the slavery work, poverty, ignorance and bonded labor. Fracarita Pakistan is really improving the standard of the special people to help them live a better life.

However, as we are facing some challenges, but still I am comforted in knowing that we have a great team that have proven to overcome many difficult challenges. With the wisdom of our team, I believe Fracarita Pakistan is well positioned to continue the legacy of helping people.

Despite these challenges, we are proud of the fact that our organization continues to be recognized as one of the most trusted and progressive organizations in our community. We will continue to value this reputation and, our board will focus on strengthening our foundation to truly become the model for other community organizations.

Canon Triest Middle School

The ‘**Canon Triest Middle School**’ is located at G-Block Youhana Abad, Feroz Pur Road, Lahore, Pakistan. This school is meant to uplift and enhance the education among poor community.

This school is a middle school where 150 students are getting education, from our highly qualified staff, who teach them through a specific approach to encourage them. This school has a big playground for the children to play. Majority of children parents are janitors or laborers. They earn very low income, mostly they are unable to pay their children school fee, so to benefit such children we charge them very low fee so that they could continue their education.

Hearing Impaired Assistance

At Canon Triest Middle School deaf-mute children are also getting education. These students are 5 in strength, they were really neglected in our society and belongs to poor families, who find difficult to pay their tuition fee, we have hired a special teacher for such students.

We want these children to be active member of our community. We also aim at giving them the quality life in their own small ways. In real sense this kind of work improves the human dignity in the eyes of all.

Umeed-e-Nau Middle School

Initially **Umeed-e-Nau School** was started as a primary school in a small building with few Students in the area of **Eisa Nagar** but day by day the school improved in its field of education, and now it is upgraded to middle school

This school has the strength of 150 students, A fundamental goal of **Umeed-e-Nau Middle School** is to help students, learn and thrive to the best of their abilities. Safety and a sense of security are necessary components of good learning environments. Hence this school provides safe and learning environment to its students. The school is very much at the heart of the community and well supported by parents and other members of the local community

Most of the residents of **Eisa Nagar** are working as bounded labors of brick klins honors they work from dawn to dusk and earn just a low amount of income, with in this amount they have to pay loan of their honors, and have to manage their domestic expenses also. Majority of families living at Eisa Nagar are facing these type of difficulties in their life, which deprived their children from getting education. Umeed-e-Nau Middle School was started in this area to facilitate such people who can't afford their children educational expenses, as Umeed-e-Nau School provides, Free Books, Notebooks and Stationery to its students, moreover the school charges very low fee within the reach of the people of Eisa Nagar. The local community really appreciate the facilities being provided by Umeed-e-Nau School.

FRIENDS PUBLIC HIGH SCHOOL

This School is located at G-Block, Youhana Abad, Feroze Pur Road, Lahore, Friends Public High School, was the very first initiative of *Friends of Charity Organization*, this school came into being in 1996.

It is providing educational Facilities in Youhana Abad, at present **350 students** are getting education in this school, time to time different programs and seminars are arranged for the students. These programs are educational as well as social, which really helps the students to relax their minds and enhance their knowledge, to give their best in their educational as well as their social life

Pak Dil Centre

Pak Dil Centre is situated in G-Block, Youhana Abad, Lahore. This centre is mainly meant for mentally disable people. In our community there are many peoples having some disabilities weather physically or mentally are neglected in the society, they are mostly hashed and have no aim in life.

People who are living with their abnormalities, such people are not only neglected by the society as well as their own families also, these people face many difficulties in their life moreover some families reject these people.

Pak Dil centre provide shelter, for those special peoples who are mentally or physically disabled. Here these people are living a respectful life and are getting trainings to uplift themselves. These people are 5 in strength.

Holy Rosary Boys Hostel

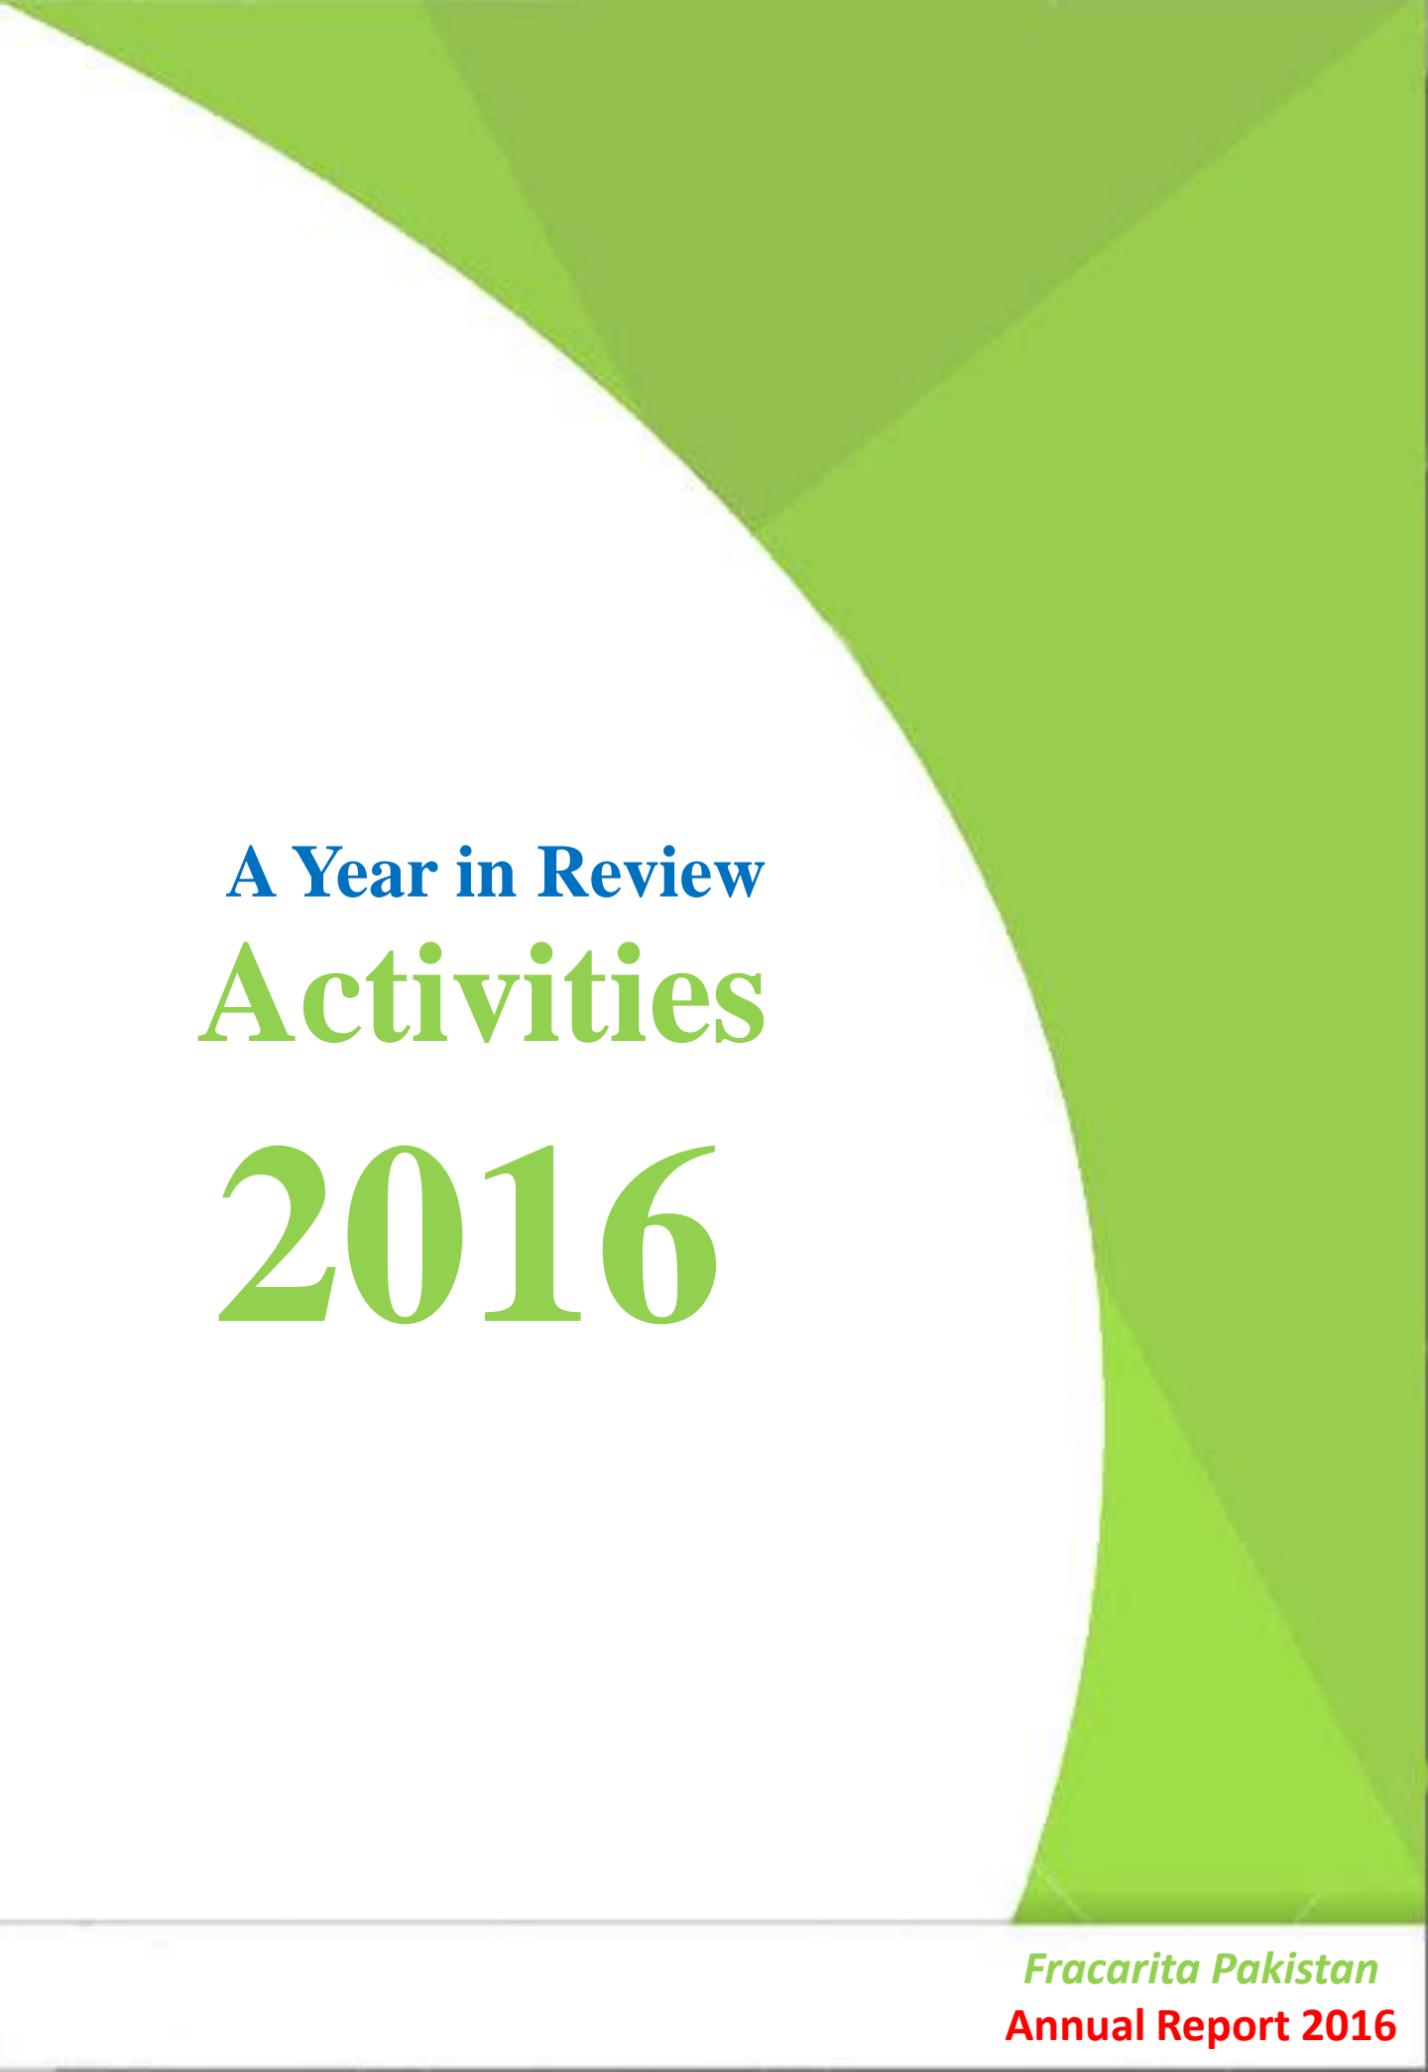

Holy Rosary Hostel for boys is located in Gujrat, and working for the children who are from far places and especially from countryside. In the beginning the Hostel was started with 7 children and day by day the strength of these children increased and there are still more who want to come.

Holy Rosary Boy's Hostel's main objective is to give a better and respectful life to the needy children, by giving them good education, and to create an environment where the development of an individual learning behavior is of most interest.

In Holy Rosary Boys Hostel we have such children who belong from poor families who cannot afford their children studies, so mostly the parents send their children for some sort of work instead of sending them to school it is due to many difficulties and hindrances desperate conditions that they face in life.
